Warm Greetings from the Department of Obstetrics & Gynaecology, SIMS & RC. We take immense pleasure and privilege in soliciting your attendance at the workshop on **Single Port Laparoscopy**. This is followed by a panel discussion involving experienced pioneers in the field of laparoscopy. We, in this ever progressive world need to stay abreast with the recent advances and walk in pace with both technology and technique. It is our small endeavour in this direction to learn the newer techniques from experts like Dr Ramesh B and Dr Vidya Bhat, who have graciously consented to impart their knowledge to one and all. Please attend and be a part of the knowledge feast.
